OFFICE OF PETITIONS
ON PETITION

In re Application of
Larson
Application No. 09/348,618
Filed: July 6, 1999
For: HEIGHT ADJUSTABLE FURNITURE
COLUMNS INCLUDING ACTUATION
MECHANISMS

This decision concerns the April 25, 2003 petition under 37 CFR 1.137(b).

The petition is **GRANTED**.

The application became abandoned on August 23, 2002 for failure to timely submit a proper reply to the May 22, 2002 non-final Office Action.

The instant petition encloses the \$650 petition fee (small entity) and an amendment in response to the May 22, 2002 non-final Office Action; and includes a statement that the entire delay in filing the reply from its due date until the filing of a grantable §1.137(b) petition was unintentional. The petition is thus granted.

The application file is being returned to Technology Center 3600 for further examination.

Telephone inquiries should be directed to the undersigned at (703) 308-0763.
